Italic text denotes municipal organization.

** Indicates Land Trusts that hold conservation easements

* Indicates Land Trusts with conservation easements “in the works”

♦ Indicates Land Trusts that do not yet own any land or hold any conservation easements.

(The Audubon Society of Rhode Island formed in 1897, acquired their first property in 1923 and the Norman Bird Sanctuary formed in 1949. Both are land trusts and preceded the formation of other land trusts in Rhode Island.)
